

April 6th, 2026

Dear Valued Customer,

We hope this letter finds you well and that your business continues to prosper. We would like to express our sincere appreciation for your continued support. Due to the recent and continuous increase in the cost of raw materials and other expenses, it has become increasingly difficult for us to maintain our current pricing solely through our own efforts.

Therefore, we regret to inform you that we will revise the prices of some of our products effective May 1, 2026.

Details of Price Revision

Applicable Products:

- Marine Growth Preventing Device (MGPS) Components
- Ferrous Ion Generating Device (FIG Device) Components

Effective Date:

- Due to a system update, quotes requested after 5:00 PM on Thursday, April 23, 2026, will be processed based on the new pricing structure.

Revision Details:

- Approximately +20%~+30%

For quotations and inquiries, please contact us at the address below.

We will continue to make every effort to ensure stable supply and further improve our services.

We kindly ask for your understanding and cooperation.

Sincerely,

Japan Field&Marine Engineering Co., Ltd.
